

Babbidge Island Walk

Thursday, July 5

PLEASE RSVP TO nhcp@northhavenconservation.org SO WE MAY ARRANGE TRANSPORTATION.

Boat transportation will leave the town dock promptly at 9:30 am. We welcome donations to help NHCP cover transportation costs.

The Cobb Family, owners of Babbidge Island, invite you to come visit and enjoy this rugged island on the eastern entrance to the Little Thorofare. The Cobb Family and friends have cleared a wonderful trail that hugs the perimeter of the island. Sturdy shoes and good balance are a must.

Please bring water and if you'd like to stay a bit longer than late morning, a picnic.

Don't forget to read Lydia Brown's excellent piece on NHCP's website (under the Features tab) about early settlement of Babbidge Island.
